For the purpose of this Privacy Policy, UK ICF is a Data Controller of your data.

We may use the services of various Service Providers in order to process your data more effectively.

What Information is Collected:

Personal Data - While using our service, we may ask you to provide us with certain personally identifiable information ("Personal Data") that can be used to contact or identify you, the Data Subject.

This information is used to deliver the information, products and/or services that you request. It may also be used to notify you of future UK ICF products, services and/or opportunities that may be of interest to you.

When completing these forms, please do not supply another person's Personal Data to us unless we prompt you to do so and you have received that individual's consent to do so.

Personally identifiable information may include, but is not limited to:

Email address

First name and last name

Phone number

Address, City, County, Region, Postal code

Employment Information

We may use your Personal Data to contact you with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or instructions provided in any email we send.

Definitions:

Personal Data - Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Data Controller - Data Controller means a person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal data are, or are to be, processed.

Data Processors (or Service Providers) - Data Processor (or Service Provider) means any person (other than an employee of the Data Controller) who processes the data on behalf of the Data Controller.

Data Subject - Data Subject is any living individual who is the subject of Personal Data.

User - The User is the individual using our Service. The User corresponds to the Data Subject, who is the subject of Personal Data.
